

United Way Central Alberta

The United Way of Central Alberta is currently looking for representatives from the community to fill volunteer roles on the Board of Directors. We have an immediate need for volunteers with expertise in:

- Legal
- Treasury and Chairing of Finance and Audit Committee

The Board of Directors are responsible for the visionary, governance, and strategic planning aspects of this non-profit organization.

The Board of Directors philosophy is to have a diversity of Board Members with expertise and experience in the following areas to create a successful, well balanced board.

- communications/marketing
- federal/Provincial government
- health services
- not for profit governance
- private industry
- law
- finance/investment
- education
- children/youth
- seniors
- poverty reduction
- volunteer management
- senior leadership
- strategic planning
- technology
- advocacy
- human resources
- other United Way experience
- risk management

If you are able to commit to six board meetings per year, the Annual General Meeting, some committee work and an annual one day retreat, we can promise you a rewarding experience working with a dynamic leadership team. We respect that your time is valuable and promise to engage you in such a way as to optimize your time spent with the United Way.
