

Imagine a Life in Poverty

Red Deer, Alberta – Tuesday, March 18, Central Alberta Poverty Reduction Alliance (CAPRA) and United Way are proud to announce the first Poverty Simulation in Red Deer on May 14, 2014.

This three hour, no cost event, allows participants to experience a month living in poverty, based on the lives of real families in Central Alberta. The Organizers hope that those who attend will leave with a greater understanding of the challenges and obstacles that are faced when living on a limited income.

“This is such a great opportunity for people to really put themselves in the shoes of those who are living with a low or limited income. We believe that this will be a rewarding and eye-opening experience for those who participate,” said Lori Jack, CAPRA representative.

The event will be limited to the first eighty-five participants and the on-line registration can be found on www.caunitedway.ca or call Rhonda at 403.343.3900. Twenty volunteers are also needed for the day of the event. If you are interested in volunteering, please contact Lori at 403.343.3900.

This event is brought to you through the collaborative efforts of CAPRA and United Way Central Alberta.
