THE NEW COMMUNITY  
IMPACT LEGACY FUND**

## CREATE A LASTING LEGACY WITH UNITED WAY

In celebration of our 50th anniversary, United Way Central Alberta is delighted to invite you – our committed supporters, to create a lasting legacy with us. By contributing to the United Way Community Impact Legacy Fund, you will be able to support positive change in Central Alberta for many years to come.

Legacy funds are invested to generate income that can be used to enhance the impact of campaign donations each year. The United Way will draw from the fund each year to support collective impact projects that are innovative, unique and address the root causes of social conditions in one of our priority areas – Education, Income or Wellness.

We know that through these partnerships and collaborations we can encourage more creative solutions to the issues in our community.
