

Sample Tweets for your Workplace Campaign

Social media is a fantastic tool to get people talking. Reply, retweet and join discussions about United Way and its impact in the community. Choose tweets from the selection below, or write your own tweets that are important to you and contribute to the workplace campaign. You can include hashtags to extend the reach of your tweet, and to also find out who is talking about the same things you are. Including photos in your tweets will increase the chance that somebody will interact with it.
