HEALTHY RELATIONSHIPS = BRIGHTER FUTURE

Since her son began a mentoring program two years ago, one parent said "he has turned from a problematic child with behavioural issues into this wonderful, funny, outgoing, caring young man that I love spending time with."

602

**NOT EVERY CHILD HAS
THE SAME OPPORTUNITY
TO SUCCEED.**

22%

of youth do not complete high school by age 18 which significantly limits their future possibilities. Together we can change that.

366

Children and youth were supported in your community through mentoring, learning about appropriate alternatives to bullying, counselling and being taught about managing money.

4 programs in your community are funded

Association of Communities Against Abuse

- Child Abuse Treatment
- You Choose program

Heartland Youth Centre

- Big Brothers Big Sisters

Turning Point

- Harm Reduction Program

In a region with such diversity, 211 is helping community members find the services they need at www.ab.211.ca

- 1** agency was provided **\$800** in capital and equipment grant
- 1** agency was provided **\$795** in professional development funds
