HELPING YOUTH FEEL BETTER ABOUT THEMSELVES

When asked about what is different about their daughter who spends time with a mentor each week, one parent said, "I've noticed in the last year especially that she seems much more confident speaking up and making decisions."

NOT EVERY CHILD HAS THE SAME OPPORTUNITY TO SUCCEED.

22%

of youth do not complete high school by age 18 which significantly limits their future possibilities. Together we can change that.

1803

Children and youth were supported in your community through mentoring, after-school programs and being taught about managing money.
