IN A  
GLOBAL CRISIS

## Dear friends and supporters,

United Way Central Alberta would like to announce that our Distinguished Volunteer of the Year Award winner for 2020 is Edie Hiebert. Edie joins a long list of exceptional United Way volunteers who have given their time generously to help us make an impact in Central Alberta.

The Award, formerly the Dalton Skinner Award, is given for distinguished voluntary service to the United Way of Central Alberta. Recipients have been with United Way for a long period of time and have served in different capacities while making an outstanding personal contribution to our community.

“Edie Hiebert embodies all of those qualities, many times over,” said Brett Speight, UWCA CEO. “Edie is a valued member of our Community Impact Council (CIC), and agreed to be Campaign Co-Chair ‘only if’ she

continue to volunteer on the CIC. She also serves on our Campaign Committee.”

The Award was announced at the Annual General Meeting held last night (June 23, 2020) via Zoom.

Thank you for your generosity.

### COVID-19 Emergency Community Support Fund

COVID-19 is top of mind for everyone and is affecting the way we all support those who are vulnerable in our communities. This pandemic has created an increase in demand for local services, shortages in supplies, and disruption in service.

United Way Central Alberta is pleased to administer the funds provided by the Canadian Government to support local community service organizations that provide rapid, emergency community support to vulnerable community members.

Applications are available on our grant site at [United Way Grants](#).

### Introducing E-Pledge

E-pledge allows our donors to have more flexibility and less work in running their workplace campaigns. Every workplace can customize messaging to their team about the importance of community investment to their workplace. Additionally e-pledge allows each individual to manage their own giving with multiple options to give, a transaction history and email confirmations. Workplace Campaign Coordinators are also able to log in and see results real time, pull reports and send reminder emails.

To talk to us about how your workplace can get on e-pledge call us at 403 343 3900 or email [info@caunitedway.ca](mailto:info@caunitedway.ca)
