GenNext Social

GenNext encourages people in their 20s and 30s to become involved with United Way and the local community through meaningful volunteering and networking opportunities. They work to inspire collective action, to more fully understand issues confronting our region and to actively connect with our community.

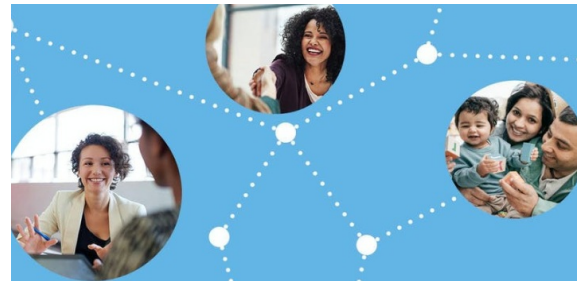

Use hashtag #GenNextCA, and follow @GenNextCA on Facebook to stay updated.

Tools For School

The Outreach Centre and United Way of Central Alberta presents Tools for School which aims to reduce one known barrier preventing children and youth from successful learning and participation in school. School supplies are collected and distributed to families across Central Alberta who have children in kindergarten to grade 12, who otherwise could not afford to purchase supplies.

Click below to find the school supply needs for each Grade.
