Can we talk?

At the United Way of Central Alberta, our vision is to help build strong, healthy communities where everyone thrives. We know much has changed over the last year for everyone. As we plan for how best we can support our communities in the future we hope to spend time in communities throughout central Alberta learning about people's experiences, challenges, and ideas. We want to talk with diverse populations, such as newcomers or people experiencing poverty, to understand their experiences and what might enable

them to live a good life. This information will guide where we invest, how we can help build capacity, and where to focus our advocacy efforts for the biggest impact. If you want to participate in a conversation, host a conversation, or if you want to learn more connect with us [here](#).

"United Way Central Alberta is the largest funder of social services next to the Government. We do that solely through the generosity of our supporters throughout the year and mostly through our campaign." Read Brett's full message [here](#).

presents:

LAUGH OUT LOUD *for* MENTAL HEALTH

*Bo's Bar & Stage
Tuesday October 5th, 2021
6:00pm - 8:30pm*

PPE? NOVA Chemicals Has Our Back

NOVA Chemicals donated 375 boxes of disposable face coverings along with 2,000 (250 ml) bottles and 500 (4L) pumping jugs of hand sanitizer to the United Way for distribution to Central Alberta community agencies who require the supplies. Read [more](#).

DYK that United Way Central Alberta accepts many ways of giving beyond cash? We can receive gifts of public securities, gifts in kind, gift annuities, as well as future or planned gifts such as bequests, RRSPs/RRIF, and Life Insurance proceeds. Talk to your Financial Advisor about the many benefits of cash alternative gifts, and charitable giving in your Will.

[Ticket Sales](#) Close Friday, Sept 3rd.
