Dear friends and supporters,

2021 - Towards Recovery

We at the United Way Central Alberta office hope all of you had a safe, healthy and happy holiday season. After a short break, we are back in full swing in the office. [read more](#)

GEN **NEXT** 
Central Alberta

The Next Generation of Community Leaders

Are you in your 20s and 30s? Would you like to actively connect with your community and influence positive change? GenNext is currently seeking new cabinet members to serve a two-year term. GenNext engages in meaningful volunteering and networking opportunities at monthly evening meetings and special events. [Apply to GenNext](#)

Keeping Central Alberta Safe

It's been a year since we heard the first bits of news about Covid-19 and it's tough to realise that we've been taking protection measures ever since. PPE or Personal Protection Equipment like masks and hand sanitizer have been a necessity in most locations and they can be costly. Agencies in Central Alberta who serve our most vulnerable can little afford to pay for PPE, but it's a must-have in order to continue providing services. We were so grateful this month to receive a very generous donation of PPE from a local business - Bianca Amor's Liquidation Superstore! Three FULL PALLETS of PPE were delivered to our office and filled our boardroom. Check out the one-minute video!

Bianca Amor's
LIQUIDATION SUPERCENTRE

Once sorted, we were able to meet the requests of about **35** agencies from all over Central Alberta. **Thank you** Bianca Amor's Liquidation Supercentre!
